

# - MASK STRAP -

## Always Be Mask Ready

### < Marketing Points >

- Portable and convenient: easy to carry, prevent your mask from loss.
- One-size fits all: unisex, 50cm in length, suitable for kids and adults.
- Quality material: soft and comfortable, won't hurt your skin.
- Wide Usage: can be applicable to both indoor and outdoor activities.

## AN MUST-HAVE ITEM WHEN MASKS BECOME ESSENTIAL

It will help to keep your mask in a sanitary way.  
By simply attaching the strap to your mask,  
it will prevent your mask from loss or getting dirty,  
so that you can use it  
cleanly again at any time.

Excellent for  
any occasion

For children  
& adults

Mask  
Strap

### How to use:

① Hang 2 elastic bands of your mask at both ends of the strap, then clip the hooks.

② Wear your mask with the strap attached on.

③ When you drink water, when you are away from people, you can just wear it around your neck.
