

- BISCUIT TEETHER -

# Tasty, Long-lasting Teething Relief

## KEY BENEFITS

- ✓ Tasty biscuits with various flavors are the perfect snack to soothe teething gums for a baby learning to self feed.

## JUST FOR YOUR LITTLE ONE

All EDISONmama treats are  
**made with your little one's milestone in mind.**

Our treats are specially designed for your newly independent eater.

They soothe teething gums and are perfectly sized & shaped  
for toddlers to practice grasping and self-feeding.
