

- EDIMOTTO MASK STRAP -  
**Always Be Mask Ready**

**KEY BENEFITS**

- ✓ Portable and convenient: easy to carry, prevent mask loss.
- ✓ One-size fits all: unisex, 50cm in length, suitable for kids and adults.
- ✓ Quality material: soft and comfortable, won't hurt your skin.
- ✓ Wide Usage: can be applicable for both indoor and outdoor activities.

**A must-have item when masks become essential**

It will help to keep your mask sanitary. By simply attaching the strap to your mask, it will prevent your mask from loss or getting dirty, so that you can use it cleanly again at any time.

Mask Strap

**How to use:**

1 Hang 2 elastic bands of your mask at both ends of the strap, then clip the hooks.

2 Wear your mask with the strap attached on.

3 When you drink water, or when you are away from people, you can just wear it around your neck.
