

- EDIMOTTO STEP-UP CHOPSTICKS -

Use chopsticks like a little PRO!

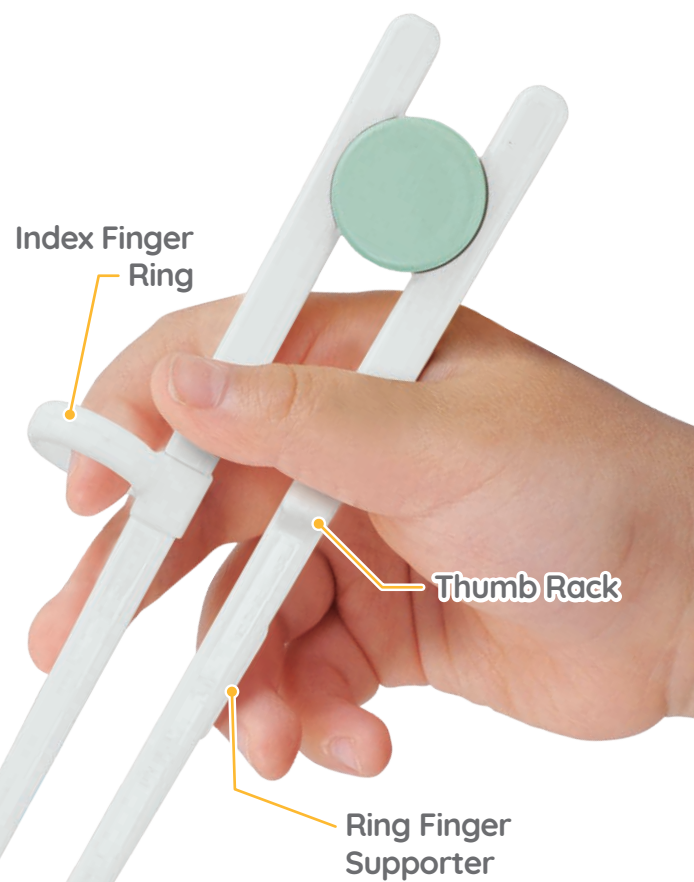

KEY BENEFITS

- ✓ Lab-tested: Made from non-toxic materials for your little eater's safety.
- ✓ Ergonomically designed - Allows your novice to master chopsticks effortlessly.
- ✓ Detachable index finger ring - Can be used as normal chopsticks.

Learn Fun Motor Skills

Since we brought the first pair of training chopsticks to Japan, more than 4 million Japanese kids have learned how to use chopsticks with us!

This will help your kid find the correct finger placement, then guide them to use chopsticks properly. Enjoy Japanese or other Asian cuisines right away!
