

- CUTLERY SERIES -

Welcome to the world of sporks!

KEY BENEFITS

- ✓ Lab-tested: Made from non-toxic materials.
- ✓ Upgraded handles make these utensils comfortable, lightweight and easily portable to carry.
- ✓ New spork works as a spoon for soup and as a fork to lift food.

Fork

Uniquely designed fork tines help prevent food falling off.

Spoon

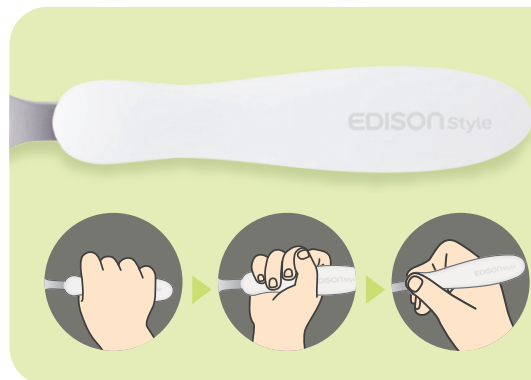

Perfect shape, size, and depth help effectively scoop out food.

2 IN 1 FEATURE Spork

Work well with soup, pasta, anything.

it helps scoop out every last bite of your food.

Ergonomically designed handle

Can be held in multiple ways to accommodate the different levels of motor skills each child has.
